

Draven Johnson is travelling to China and spent too much money without realizing how much he had spent because of the currency value differences. Draven is now lacking the money to cover his costs while staying in China and the foreign currency exchange is delayed by 24 hours.

Exchange

Cryptex App.

currency exchange services, allowing

him to have access to the currency he was in need of through the help of the

Scenario

Enjoy Trip

his trip in China.

Stage 1 - Neutral
Draven sees Cryptex advertised on
the app store on his smartphone
and decides to try out the app
before leaving for his trip in China.

Stage 3 - Neutral
The Cryptex App notifies Draven that
he is low on Yen and should
exchange for some more if he is still
staying in China for some time.

Stage 4 - Happy
Draven is able to immediately
exchange his USD to EXC to Yen
without having to wait for the foreign

Stage 5 - Happy
Now that draven has the
proper currency and enough
of it, he can enjoy the rest of
